

BAT-250 Battery Tester

One-handed, Reliable Battery Measurements

The Amprobe BAT-250 Battery Tester is designed for one-handed, comfortable and reliable battery measurements. The uniquely designed tester offers an ergonomic slider and a v-shaped side cradle to better hold batteries in place during testing and a contoured case shape that fits neatly in your hand. Testing your batteries has never been easier.

BAT-250 Features

- **Quickly indicates** if batteries are “good”, “low” or “replace”
- **Test standard and rechargeable batteries:** 9V, AAA, AA, C, D, and 1.5 V button/coin/watch
- **Ergonomically designed** to contour to your hand for easy operation
- **No batteries required** to operate
- **Large, upright display** is easy to read
- **V-shaped side cradle holds batteries securely in place** during testing for consistently accurate results
- **High-quality 9V contacts** make tests simple and error-free
- **Slider** is shaped for one-handed testing
