

# 9325 1000A AC/DC True RMS Clamp-On Meter

## Double insulated housing with built-in NCV (Non-Contact Voltage) tester

### Features:

- 1.5" (40mm) Jaw opening fits conductors up to 500 MCM
- Measures Current, Voltage, Resistance, Temperature, Capacitance, Continuity, Diode Test
- Large backlit easy-to-read 6000 count LCD display
- Auto Power Off and low battery indicator
- Auto and manual ranging with min/max hold
- Double insulated housing is splash proof, dust proof and drop resistant
- Well suited for a variety of industrial and residential applications such as security, electrical, HVAC installations and more.
- Includes test leads, Type K Temperature probe, 9V battery, and case
- 3-year warranty

### Specifications

| True RMS/Averaging | True RMS                            |
|--------------------|-------------------------------------|
| Display Counts     | 6000 with analog bargraph           |
| Clamp Size         | 1.5" (40mm)                         |
| AC Current         | 0.1 to 1000A                        |
| ACA Accuracy       | ±2.8%                               |
| DC Current         | 0.1 to 1000A                        |
| AC Voltage         | 1mV to 600V                         |
| DC Voltage         | 1mV to 600V                         |
| Resistance         | 0.1Ω to 60MΩ                        |
| Temperature        | -4 to 1400°F (-20 TO 760°C)         |
| Capacitance        | 0.01nF to 4000μF                    |
| Frequency          | 0.01Hz to 10kHz                     |
| Duty Cycle         | 0.1 to 99.9%                        |
| Safety Category    | CAT III-600V                        |
| Dimensions         | 9.5 x 2.75 x 1.5" (232 x 77 x 39mm) |
| Weight             | 11.2oz (271g)                       |
